Living on campus offers a location convenient to your classes and an opportunity to immerse yourself in an active student life.

With over 18 residence halls and a Greek Village on campus, the Niner Nation community offers friendships and accommodations that will make you feel right at home. It’s a proven fact that students who live on campus have higher GPAs and graduation rates.

Choose from a variety of housing styles that include newly renovated towers, suite-style, traditional-style, and apartment-style residences. Consider applying for the University College Transfer Students Learning Community to help support your academic transition and social engagement.

UNC Charlotte enrolls more transfer students than any other school in North Carolina. We understand that transitions can present challenges academically and socially. As a way to offer support, Housing and Residence Life has designed a living experience specifically for transfer students. A transfer-specific community is available in Witherspoon Hall.
