STEP 5

Financial aid is primarily in the form of student loans, parent loans, work-study employment, and grants. We encourage you to complete the Free Application for Federal Student Aid (FAFSA) to determine any assistance which may be available. You can complete the online application by visiting www.fafsa.gov beginning October 1st. Please be sure to include our school code (002975) on the FAFSA so that we will receive your application.

Niner Central is available to assist you with your financial aid needs. Our counselors can provide information and advice concerning federal and state loans, grants, and part-time employment. Visit ninercentral.uncc.edu or call (704) 687-5504.

SCHOLARSHIPS

The UNC Charlotte scholarship portal makes it easy to apply for all scholarships that you qualify for - in one place, with one application, through one online system. Building your scholarship profile is fast and easy. Most of your information is automatically transferred into your profile based on your Future 49er Portal application information.

Once your profile is built, you’ll immediately be matched with scholarships you’re eligible to apply for. Then you decide which you want to apply for.

Most scholarship deadlines are in February and March so apply early. You can begin applying for scholarships before receiving an admission decision. Get started at scholarships.uncc.edu.
More than 550 new transfer students live on campus. With over 18 residence halls and a Greek Village on campus, the Niner Nation community offers friendships and accommodations that will make you feel right at home. It's a proven fact that students who live on campus have higher GPAs and graduation rates.

Choose from a variety of housing styles that include newly renovated towers, suite-style, traditional-style, and apartment-style residences. View all on-campus housing options at housing.uncc.edu.

UNC Charlotte enrolls more transfer students than any other school in North Carolina. We understand that transitions can present challenges academically and socially. As a way to offer support, Housing and Residence Life has designed a living experience specifically for transfer students. A transfer-specific community is available in Witherspoon Hall. Many transfer students also enjoy the on-campus apartment living in Martin Hall.

We encourage all transfer students to live on campus. If you would rather live off campus, you may find this website helpful for your search: offcampushousing.uncc.edu.
