TRANSFER RESOURCES

- **TRANSFER CENTER:** The Transfer Center serves as a resource to all transfer students and facilitates the unique transition from other institutions to UNC Charlotte. Through collaboration with campus and external partners, the Transfer Center provides advisement and support to transfer students both prior to transferring and throughout their time at UNC Charlotte.

- **OASES:** The Office of Adult Students and Evening Services (OASES) assists adult students with developing and implementing a plan for achieving their academic and career goals. OASES works collaboratively with academic units to provide advising, educational and social programming, honor society recognition, readmission services, scholarship opportunities, and the 49er Finish Program.

- **VETERAN SERVICES:** The Veteran Services Office (VSO) is dedicated to the support and success of our military-affiliated student body. From processing GI Bill benefits to providing the Veteran Student Lounge for study and community, the VSO is the central hub at UNC Charlotte to promote a smooth and seamless transition for those choosing college after or during their service.

Once your profile is built, you'll immediately be matched with scholarships you're eligible to apply for. Then you decide which you want to apply for.

Most scholarship deadlines are in February so apply early. You can begin applying for scholarships before receiving an admission decision. Get started at scholarships.uncc.edu.
LIVING ON CAMPUS

More than 550 new transfer students live on campus each year. With over 18 residence halls and a Greek Village on campus, the Niner Nation community offers friendships and accommodations that will make you feel right at home. Studies show that students who live on campus have higher GPAs and graduation rates.

Choose from a variety of housing styles that include newly renovated towers, suite-style, traditional-style, and apartment-style residences. View all on-campus housing options at housing.uncc.edu.

UNC Charlotte enrolls more transfer students than any other school in North Carolina. We understand that transitions can present challenges academically and socially. As a way to offer support, Housing and Residence Life has designed a living experience specifically for transfer students. A transfer-specific community is available in Witherspoon Hall. Many transfer students also enjoy the on-campus apartment living in Martin Hall.

We encourage all transfer students to live on campus. If you would rather live off campus, you may find this website helpful for your search: offcampushousing.uncc.edu.

Living on campus offers a location convenient to your classes and an opportunity to immerse yourself in an active student life.
