

VISITOR GUIDELINES

DUE TO COVID-19

WELCOME TO NINER NATION!

We are excited you are visiting UNC Charlotte and we can't wait to share our beautiful campus with you in person. By registering for a visit, you are agreeing to adhere to the measures below which are based on public health directives from the state of North Carolina and the CDC.

REQUIRED TOUR RESERVATION

Advance registration for campus tours is required. To register for a campus tour, visit admissions.uncc.edu/visit. In order to offer maximum availability of seats for prospective students, we are limiting registrations to a total of 3 people per party; the prospective student plus 2 guests. Any additional guests will be encouraged to explore campus on their own using a self-guided tour map. We are unable to accommodate walk-in visitors for tours due to space and social distancing guidelines.

FACE COVERING

Indoors: All visitors to campus are required to wear a face covering while indoors. Tours will visit indoor spaces. Face coverings must cover your nose and mouth. Masks with an exhalation valve or a face shield are not recognized as face coverings by the state of North Carolina.

Outdoors: Although not required, people who have not been fully vaccinated should wear a face covering outdoors when they cannot maintain at least 6 feet of social distancing from non-household members (*Executive Order 209, Section 1; 1.5*).

NINER HEALTH CHECK

UNC Charlotte requires daily participation in the Niner Health Check for all members of our community to provide you and the University with information critical to maintaining the health and safety of the campus community and managing the University's COVID-19 response efforts. The screening questions to the right are based on current CDC guidance, and your responses are protected from third-party disclosures except where required or authorized by law (including to local health authorities).

COVID-19 COVENANT AND WAIVER

The SARS-CoV-2 variant of the Coronavirus is an extremely contagious virus that spreads easily through person-to-person, community, and surface contact. Infection by this virus can cause the disease known as COVID-19, which can lead to severe illness, personal injury, permanent disability, and death. Federal and state authorities recommend physical distancing as a means to prevent the spread of the virus.

UNC Charlotte in no way warrants that COVID-19 infection will not occur through participation. The undersigned hereby agrees that they will not participate within 14 days after (i) exposure to any person who has a suspected or confirmed case of COVID-19, (ii) returning from highly impacted areas subject to a CDC Level 3 Travel Health Notice, (iii) exposure to any person returning from areas subject to a CDC Level 3 Travel Health Notice; or at any time if the undersigned (a) experiences symptoms of COVID-19, including, without limitation, fever, cough, or shortness of breath, or (b) has a suspected or diagnosed/confirmed case of COVID-19.

All attendees agree to notify UNC Charlotte immediately if any of the foregoing access/use restrictions may apply. All attendees acknowledge that UNC Charlotte cannot guarantee the safety of any participant, assume all risks inherent to participation in a campus tour (including contracting COVID-19) and waive any claims against UNC Charlotte related to participation.

BY REGISTERING FOR THE CAMPUS TOUR, I AND ALL ATTENDEES IN MY PARTY, ACKNOWLEDGE THAT I/WE HAVE CAREFULLY READ AND VOLUNTARILY AGREE TO THIS COVID-19 COVENANT AND WAIVER, AND AGREE TO ABIDE BY ITS REQUIREMENTS AND ANY OTHERS ESTABLISHED BY UNC CHARLOTTE FOR THE SAFETY OF PARTICIPANTS.
