North Carolina Community College Transfer Guide into the College of Health and Human Services: **Nursing Programs**

All students must complete University general education requirements in addition to the following supplementary courses. [General education guidelines and course equivalencies](#) are available in the Undergraduate Admissions office.

Degrees offered: Bachelor of Science in Nursing (Pre-Licensure BSN)
 Bachelor of Science in Nursing (RN/BSN Completion Program)

Prospective BSN Pre-Licensure Nursing Majors:

Students seeking admission to the Nursing program will be classified as pre-nursing majors until they qualify for admission to an upper division major. In order to qualify for an upper division major, students must:

- Attain junior standing (complete 60 semester hours of credit)
- Complete the following progression courses as well as all general education requirements including Liberal Studies at a NC Community College. All pre-req science and NURS courses must be completed with a B or better.
- Students must earn at least a cumulative GPA of 3.0

Transfer students who have not completed all of the nursing prerequisites may be admitted to UNC Charlotte as pre-nursing. Admission to pre-nursing does not automatically admit an applicant to the nursing major (upper division). An additional application to the School of Nursing is necessary once requirements above are met and all prerequisite courses below are complete. Admission decisions into upper division are made by the School of Nursing for Fall and Spring semesters. Students must be listed on the North Carolina Nurse Aide Registry before starting upper division courses.

Prerequisite Courses (3.0 cumulative GPA required; B or higher required in each science, lab, BIO 155, and PSY 241):

NC Community College Course	UNC Charlotte Course Equivalency
*CHM 131/A: Introduction to Chemistry w/ Lab	CHEM 1203/L: Intro to Gen., Org., & Biochem I w/ Lab
CHM 132: Organic & Biochem w/ Lab	CHEM 1204/L: Intro to Gen., Org., & Biochem II w/ Lab
BIO 165/168: Anatomy & Physiology I w/ Lab	BIOL2273/L or KNES 2168/L: Anatomy & Phys I w/ Lab
BIO 166/169: Anatomy & Physiology II w/ Lab	BIOL2274/L or KNES 2169/L: Anatomy & Phys II w/ Lab
* BIO 275: Microbiology w/ Lab	BIOL 2259/L: Fundamentals of Microbiology w/ Lab
BIO 155: Nutrition	NURS 2100: General Nutrition
PSY 241: Developmental Psychology	NURS 2200: Human Growth & Development
MAT 171: Pre-Calculus Algebra	MATH 1100: College Algebra
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
PSY 150: General Psychology	PSYC 1101: General Psychology
SOC 210: Introduction to Sociology or ANT 210: General Anthropology	SOCY 1101 or ANTH 1101: Intro to Sociology or Intro to Anthropology
ENG 111: Expository Writing	UWRT 1101: Writing in Academic Community I
ENG 112: Argument-Based Research	UWRT 1102: Writing in Academic Community II

*Students transferring to UNC Charlotte prior to completing Microbiology or Chemistry at another institution should note that Principles of Biology (BIO 110 or BIO 111) is the prerequisite for both Microbiology and CHEM 1203 at UNC Charlotte.

Special Note for Transfer students: Within the prerequisite courses, students may earn 1 grade of a C or below (ONLY in a 3 credit hour course) which they will be required to retake for a grade B or higher before applying to upper division. Students should note that 4 credit hour science courses at any NCCC transfer as 2 separate grades (class and lab). If a student earns a C in a 4 credit hour science prerequisite course at the community college, that C will count as 2 C's making a student ineligible for the upper division of the Nursing program.

Prospective RN/BSN Completion Majors:

Registered nurses seeking admission to the curriculum that need to complete additional nursing prerequisites and/or general education courses may apply for admission to the Pre-RN/BSN completion program. Applicants must have a minimum cumulative GPA of 2.0. Admission to the Pre-RN/BSN does not guarantee admission to the RN/BSN completion curriculum. An additional application to the School of Nursing is necessary and students must:

- Hold a current unencumbered license as a Registered Nurse
- Hold a minimum GPA of 2.0 or better in all transferable college coursework
- Complete all required nursing prerequisites with a minimum grade of “C”
- Complete all prerequisites and general education by the end of the semester prior to the start of the RN/BSN completion program.
- Transfer applicants to the RN/BSN completion program must have a completed application on file in the Undergraduate Admissions Office to be considered for admission to upper division.

Complete the following progression courses as well as all general education requirements including Liberal Studies at a NC Community College.

NC Community College Course	UNC Charlotte Course Equivalency
CHM 131/A: Introduction to Chemistry w/ Lab	CHEM 1203/L: Intro to Gen., Org., & Biochem I w/ Lab
BIO 165/168: Anatomy & Physiology I w/ Lab	BIOL2273/L or KNES 2168/L: Anatomy & Phys I w/ Lab
BIO 166/169: Anatomy & Physiology II w/ Lab	BIOL2274/L or KNES 2169/L: Anatomy & Phys II w/ Lab
BIO 275: Microbiology w/ Lab	BIOL 2259/L: Fundamentals of Microbiology w/ Lab
MAT 171: Pre-Calculus Algebra	MATH 1100: College Algebra
MAT 152: Statistical Methods I	STAT 1222: Introduction to Statistics
PSY 150: General Psychology	PSYC 1101: General Psychology
SOC 210: Introduction to Sociology or ANT 210: General Anthropology	SOCY 1101 or ANTH 1101: Intro to Sociology or Intro to Anthropology
ENG 111: Expository Writing	UWRT 1101: Writing in Academic Community I
ENG 112: Argument-Based Research	UWRT 1102: Writing in Academic Community II
General Education Requirements	All General Education courses must be completed prior to admission to the Rn/BSN Completion Upper Division Major.
