Students may not take advanced studio courses without having passed this course and gained acceptance into the B.F.A. program.

TOTAL HOURS

124-125

*The credit hours listed above reflect the courses required for the degree. A minimum of 12 credit hours per semester is required for full-time student status for financial aid purposes. Additional credit hours to achieve full-time student status (if needed) would be determined in consultation with your Academic Advisor.

**Requirement could be fulfilled by a studio, but three studio courses per semester is the maximum suggestion. It is recommended that students fulfill this requirement by taking a non-studio art related course such as art history, art education, or gallery internship as the semester already has three studio courses required.
