Transfer Credit

How will my credits transfer?

Current or enrolled in classes?

If you completed courses in Spring 2020 or are currently enrolled in summer courses, make sure you have an up-to-date copy of your college transcript on hand for your virtual transfer SOAR session and have an official transcript (showing your final grades) sent to Undergraduate Admissions at the end of the summer. Your final transcript is required for us to update your transfer credit evaluation and, if applicable, associate degrees.
