Welcome to UNC Charlotte! We’re excited to have you on campus! Look high, look low, and look all around to find these clues on our grounds.

1. CATO HALL
   What is the name of this statue? Why do you think the artist chose that name?

2. ROBINSON HALL
   In front of Robinson Hall, you’ll find a musical harp. What are its strings made of?

3. ROWE ARTS
   This building houses our art & photography classes. What do you think the building looks like?

4. ATKINS LIBRARY
   This is the tallest building on campus with 10 floors. Can you guess how many books are available here?

5. BARNHARDT STUDENT ACTIVITIES CENTER (SAC)
   What time is it on the SAC clock tower?

6. FUN WITH ECHOS
   Look for the star on the path between Atkins and SAC. Stand on it facing CHHS, and yell, “Stake Your Claim!” Listen closely to hear an echo. If you step a few inches to the left, you won’t hear the echo!

7. WOODWARD HALL
   What is the name of the eagle sculpture in front of Woodward Hall? What other creative titles can you think of for this artwork?

8. STUDENT UNION
   Take a picture of your group on the front steps of the Student Union. Form a pick axe with your hand and say “Go Niners!”
CATO HALL
What is the name of this statue? Why do you think the artist chose that name?

ROBINSON HALL
In front of Robinson Hall, you’ll find a musical harp. What are its strings made of? A: Water
